## STEP 1

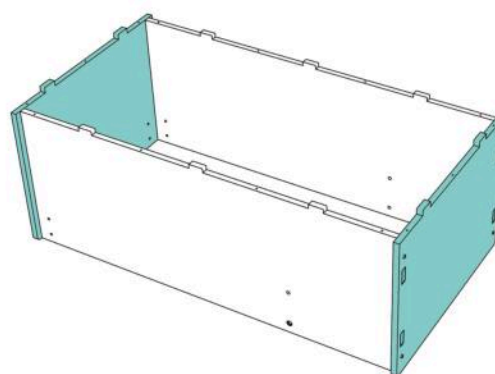

|   |                                                                                    |   |
|---|------------------------------------------------------------------------------------|---|
| D |   | 8 |
| E |  | 1 |

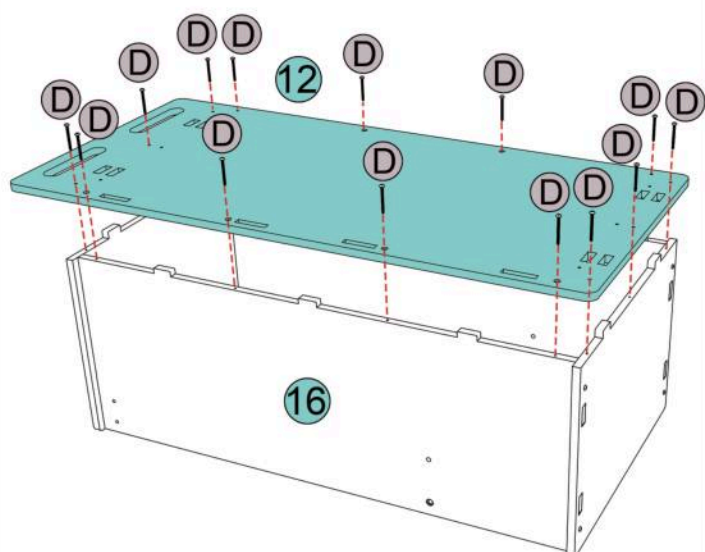

## STEP 2

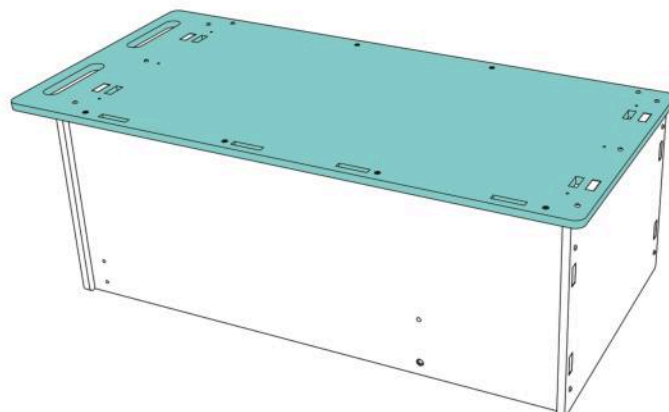

|   |                                                                                     |   |
|---|-------------------------------------------------------------------------------------|---|
| D |  | 8 |
| E |  | 1 |

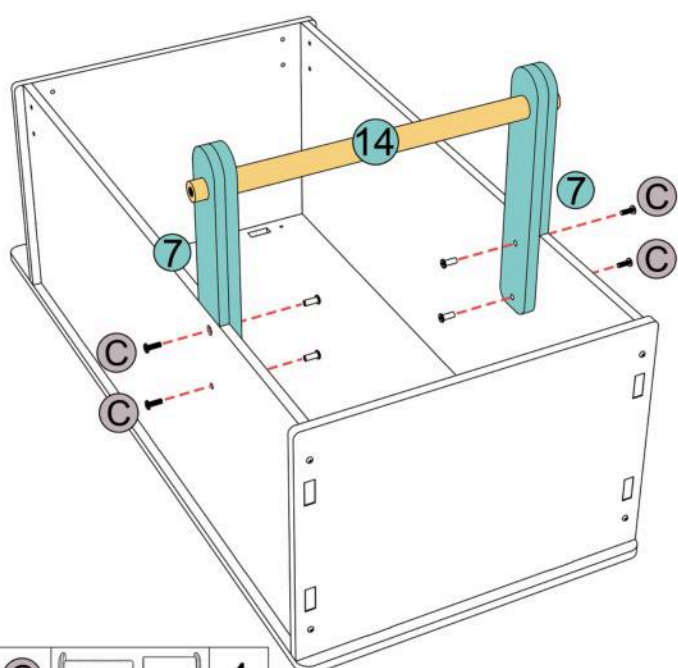

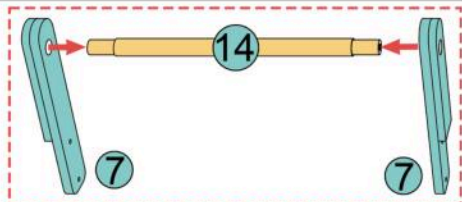

## STEP 3

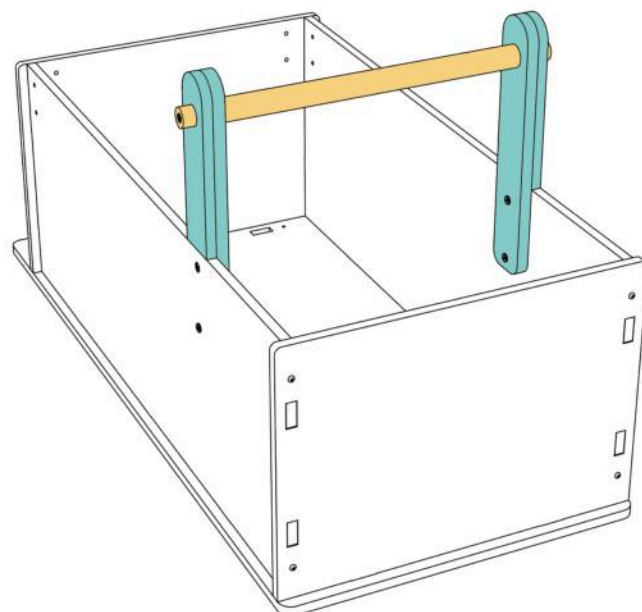

|   |                                                                                         |    |
|---|-----------------------------------------------------------------------------------------|----|
| D |  M5x50 | 14 |
| E |  4mm  | 1  |

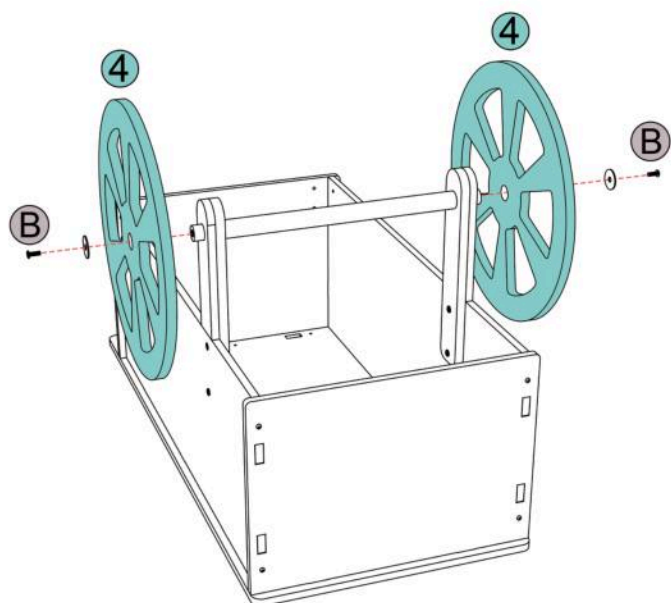

## STEP 4

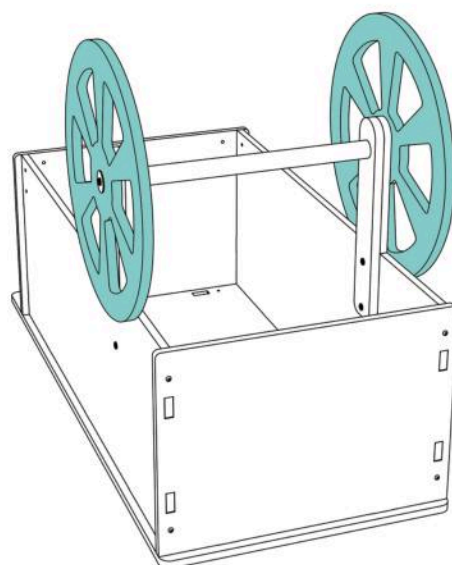

|   |                                                                                           |   |
|---|-------------------------------------------------------------------------------------------|---|
| C |  M6x20 | 4 |
| E |  4mm   | 2 |

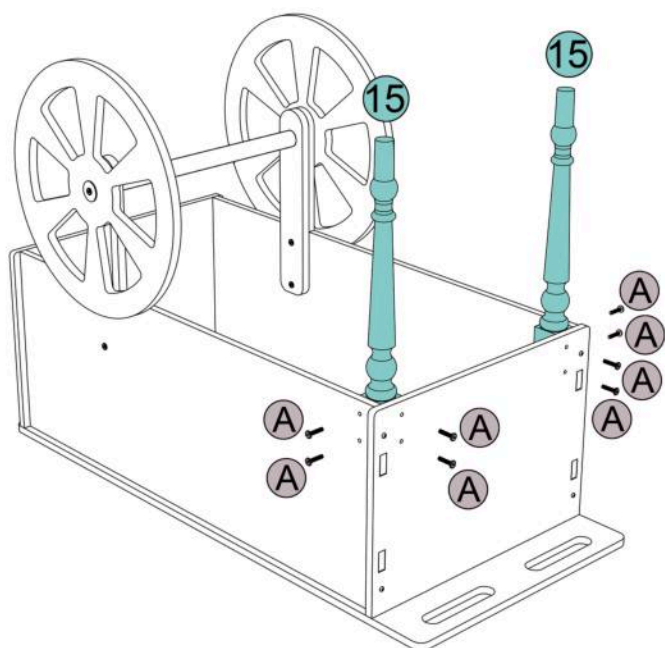

## STEP 5

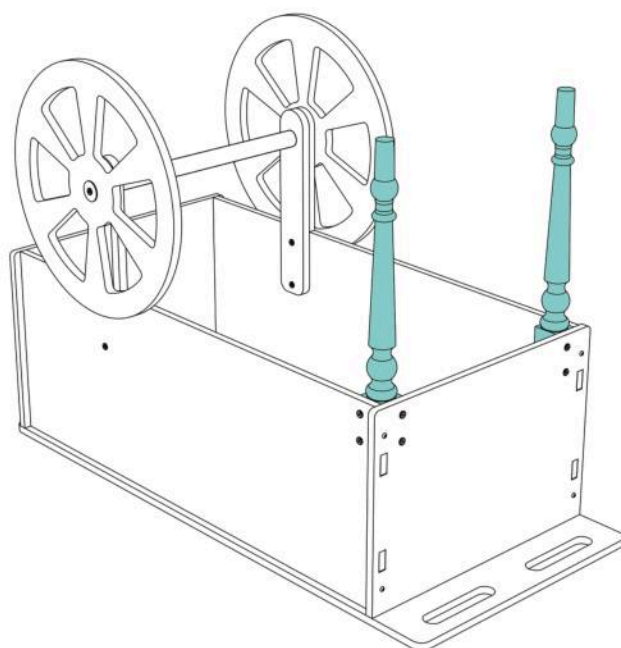

|          |                                                                                         |   |
|----------|-----------------------------------------------------------------------------------------|---|
| <b>B</b> |  M6x20 | 2 |
| <b>E</b> |  4mm  | 2 |

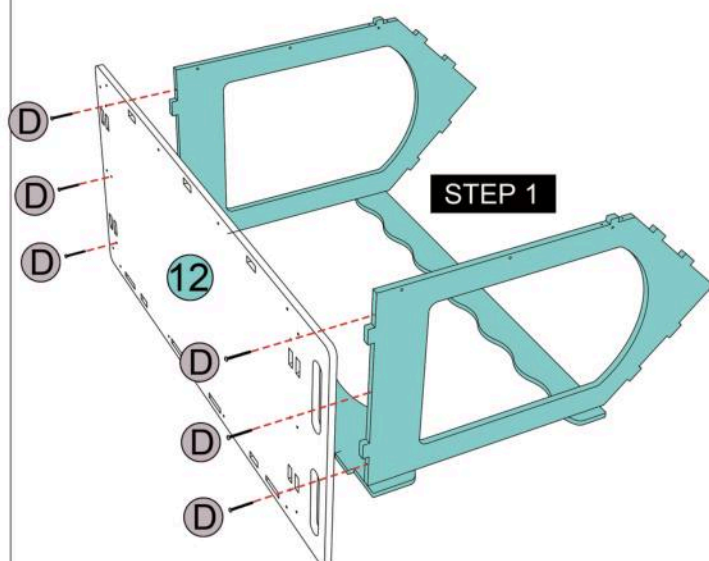

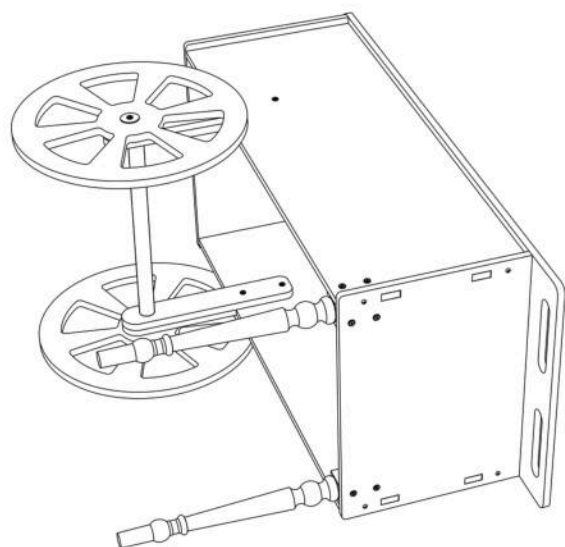

## STEP 6

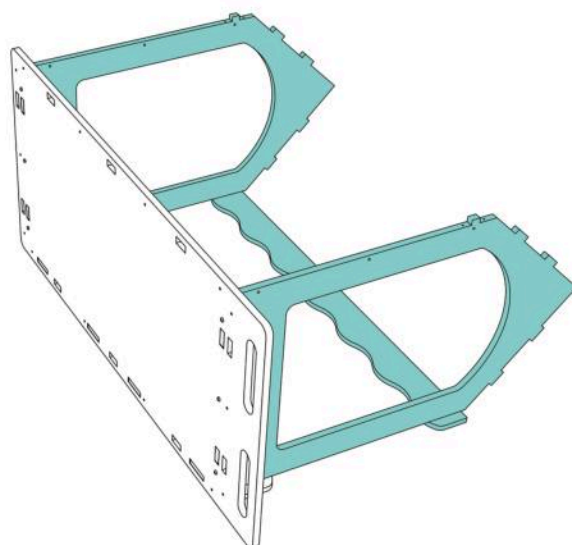

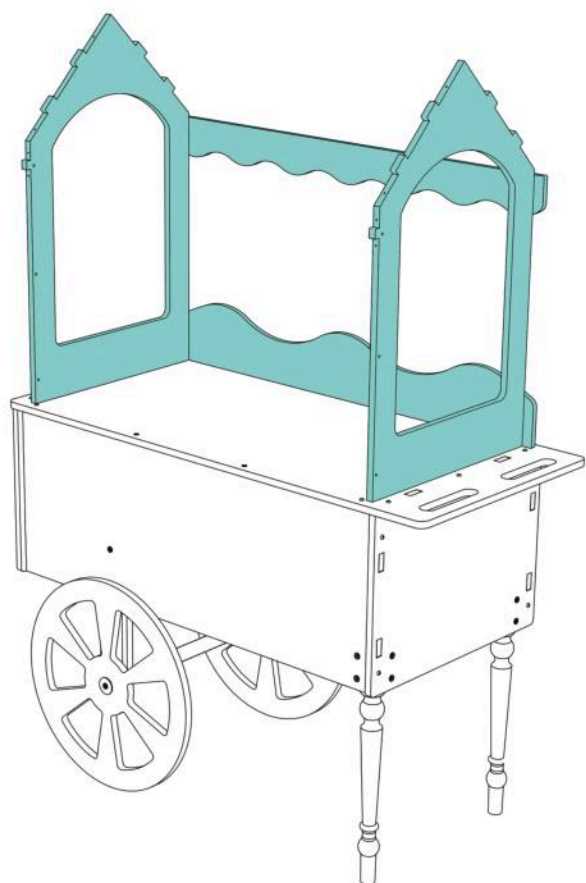

|          |                                                                                           |   |
|----------|-------------------------------------------------------------------------------------------|---|
| <b>A</b> |  M6x30 | 8 |
| <b>E</b> |  4mm   | 1 |

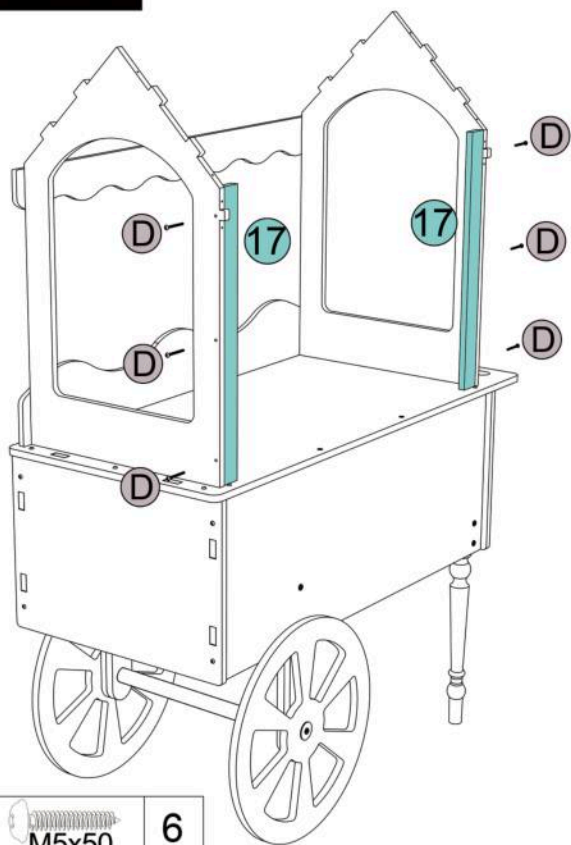

# STEP 7

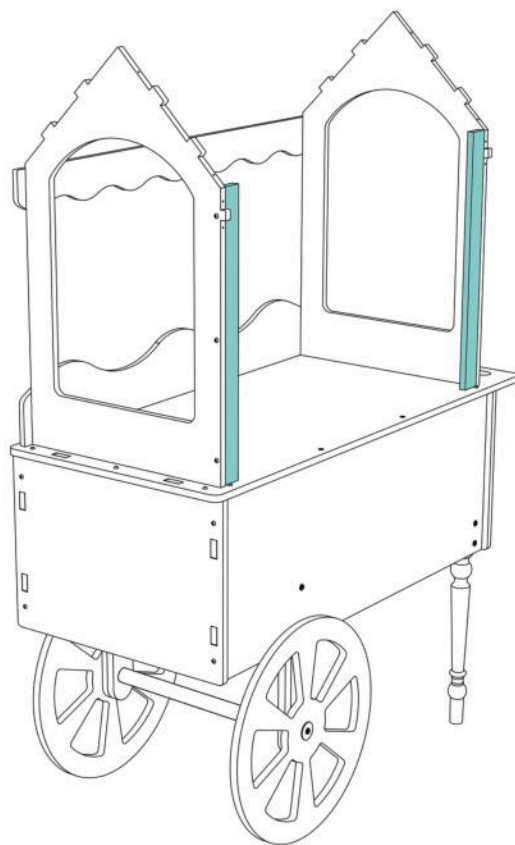

|     |       |   |
|-----|-------|---|
| (D) | M5x50 | 6 |
| (E) | 4mm   | 1 |

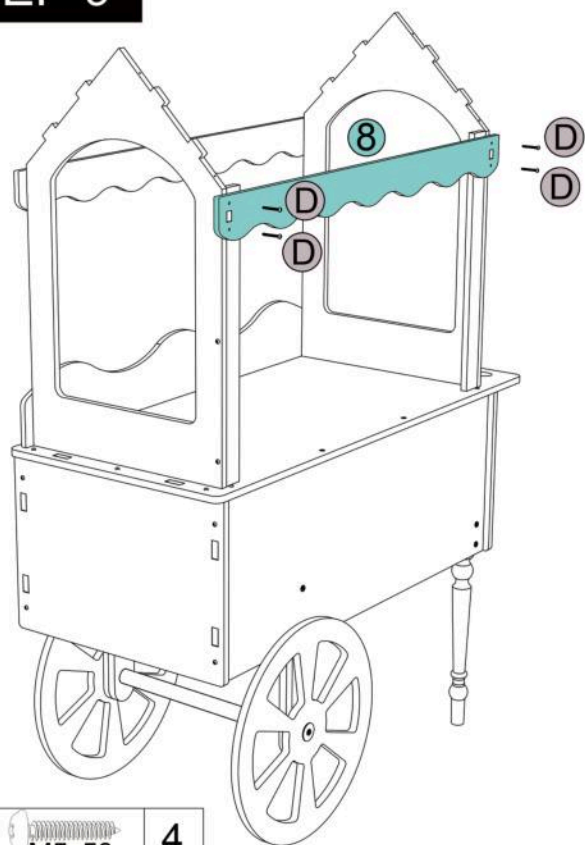

## STEP 8

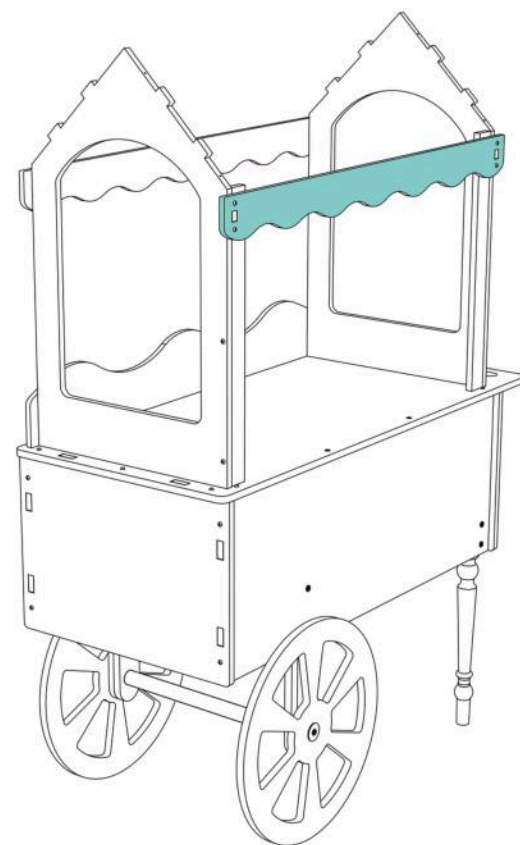

|   |                                                                                    |   |
|---|------------------------------------------------------------------------------------|---|
| D |   | 6 |
| E |  | 1 |

## STEP 9

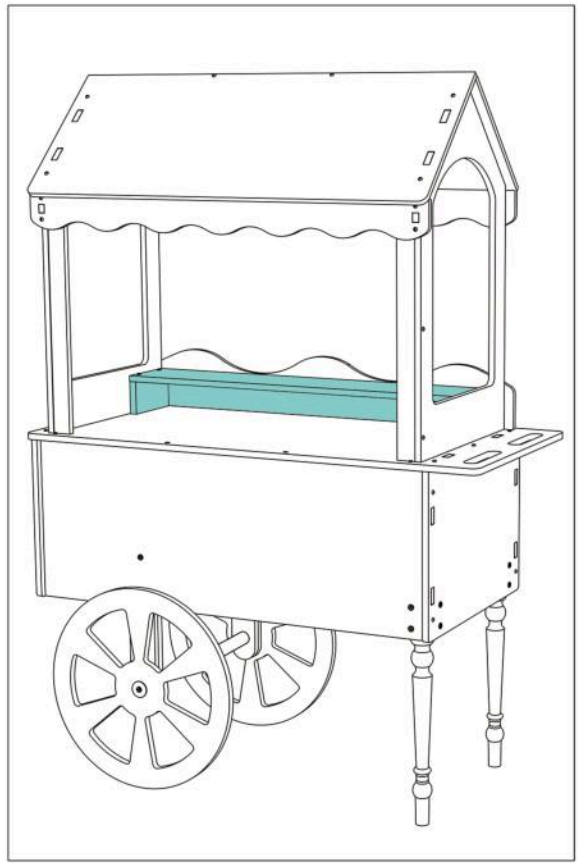

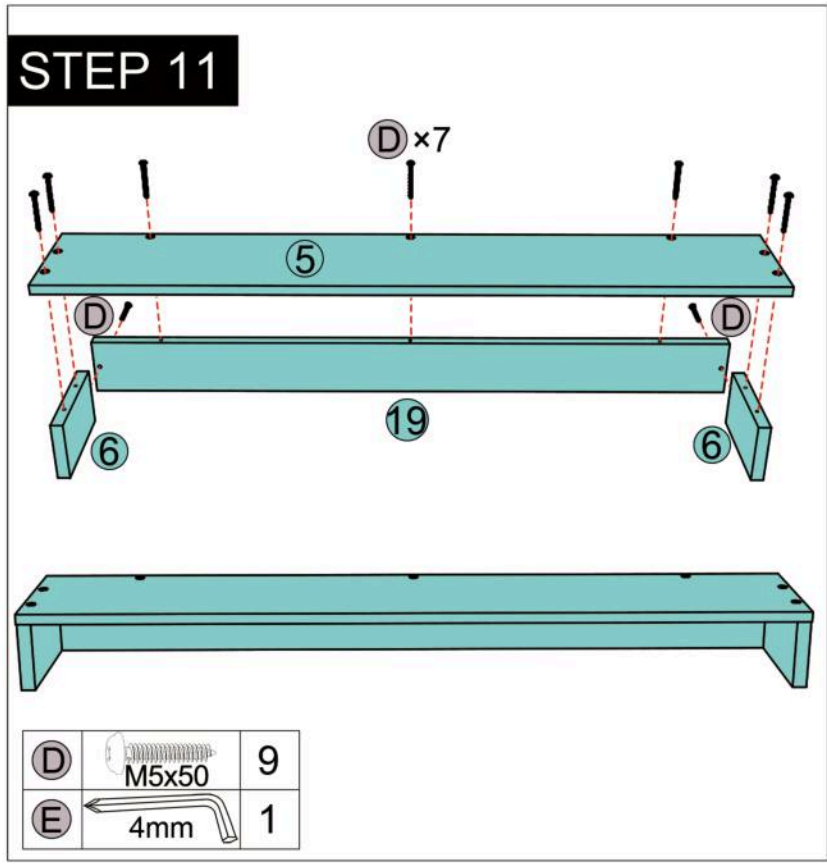

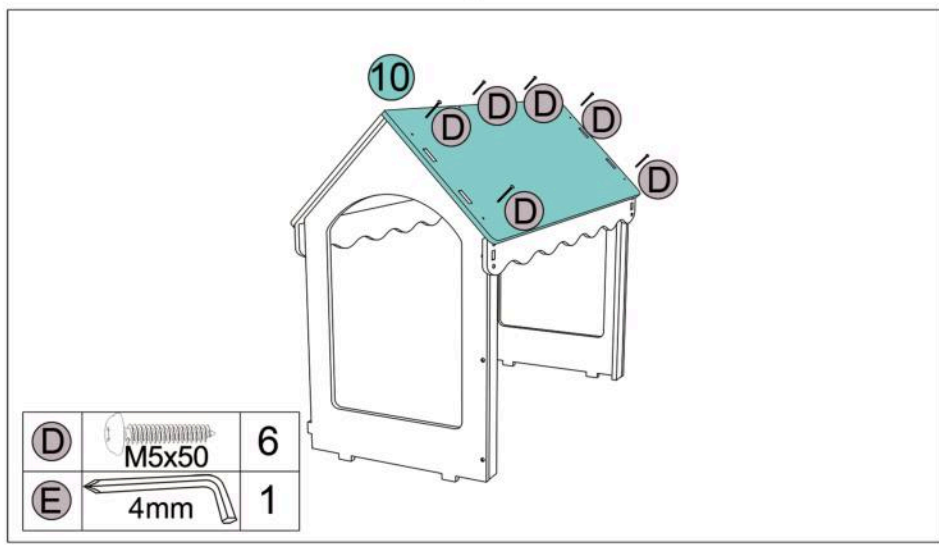

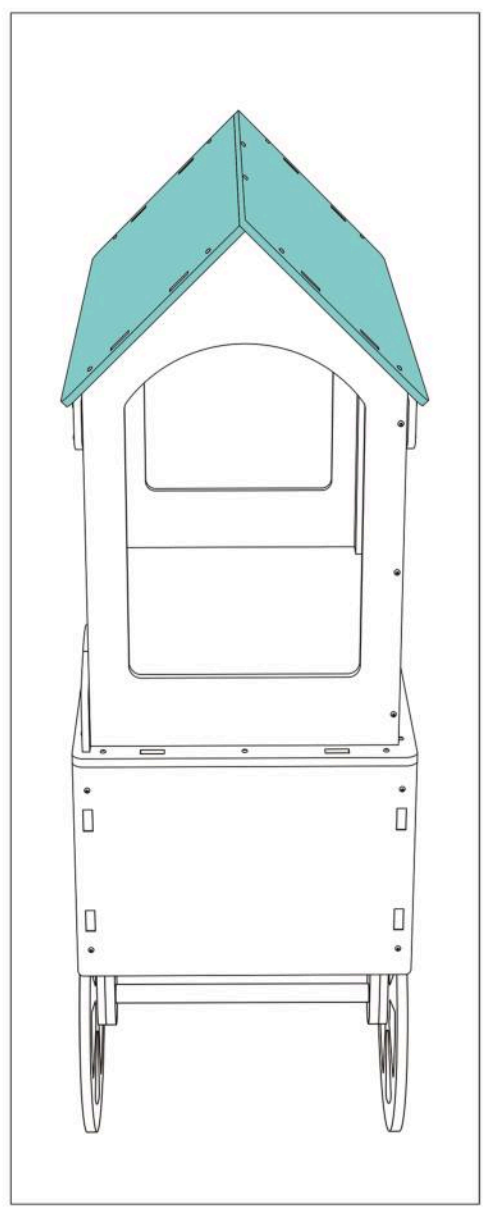

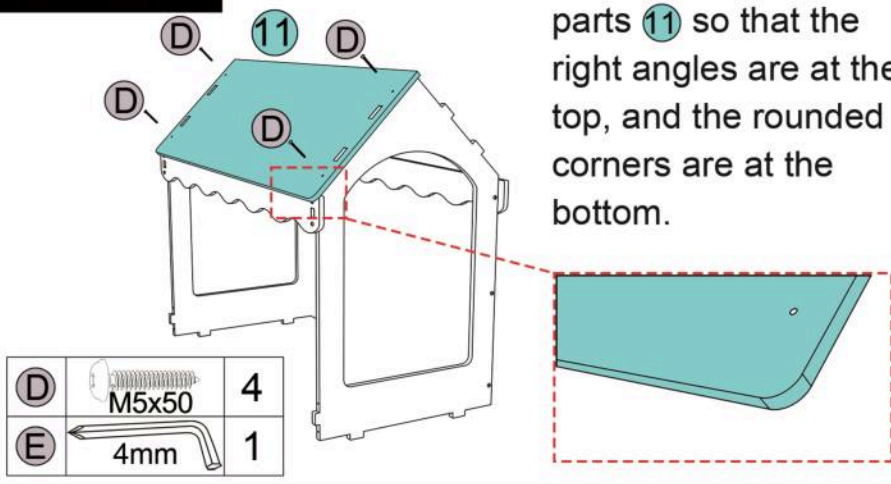

|   |                                                                                     |   |
|---|-------------------------------------------------------------------------------------|---|
| D |  | 4 |
| E |  | 1 |

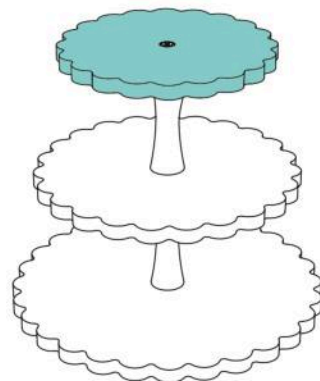

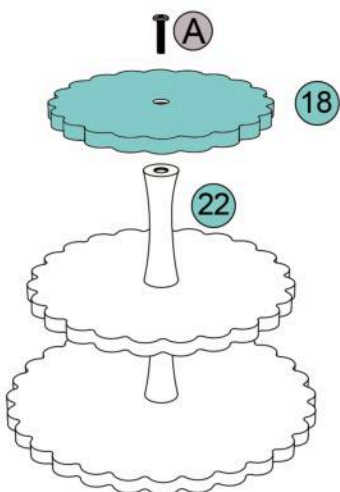

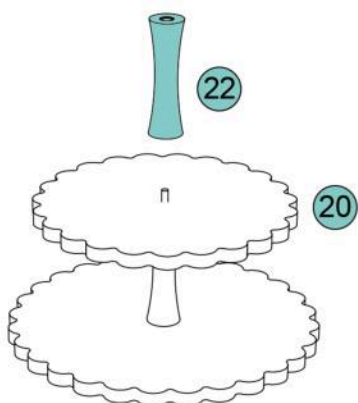

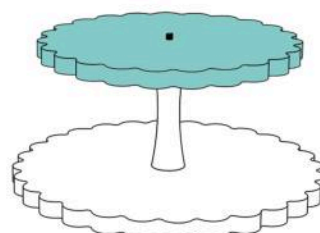

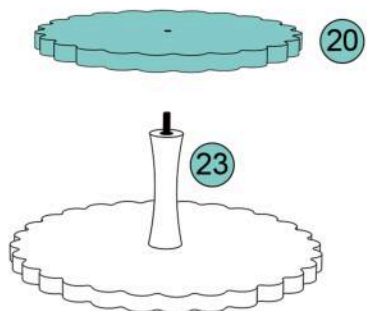

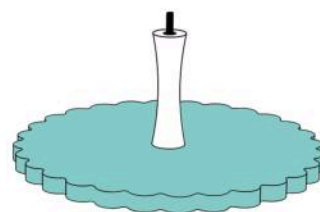

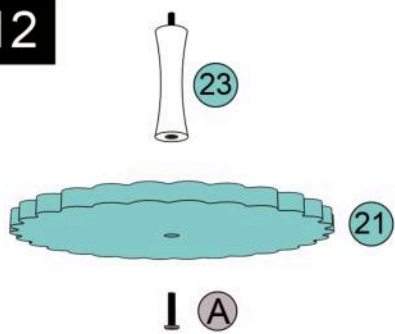

# STEP 10

Please note: position parts 11 so that the right angles are at the top, and the rounded corners are at the bottom.

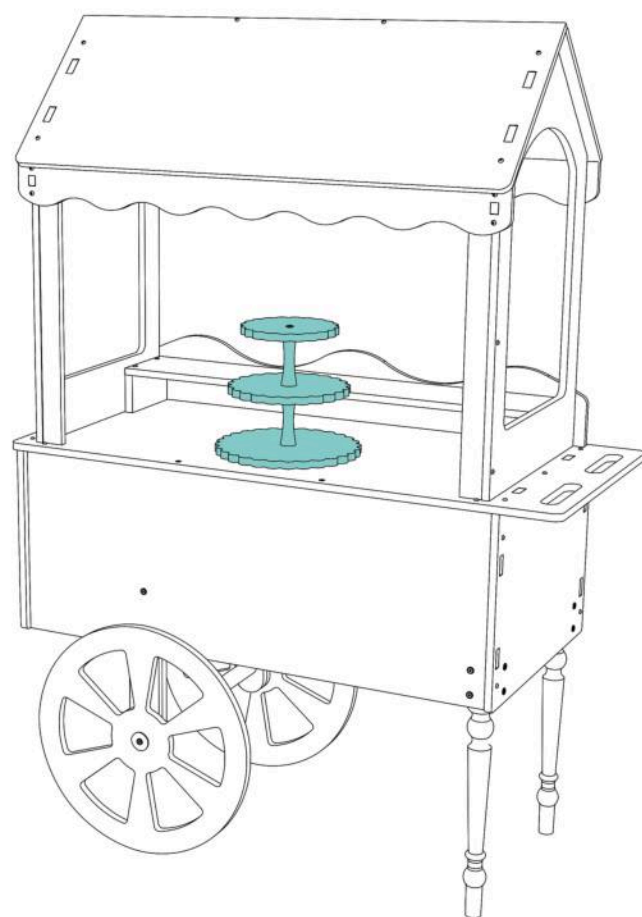

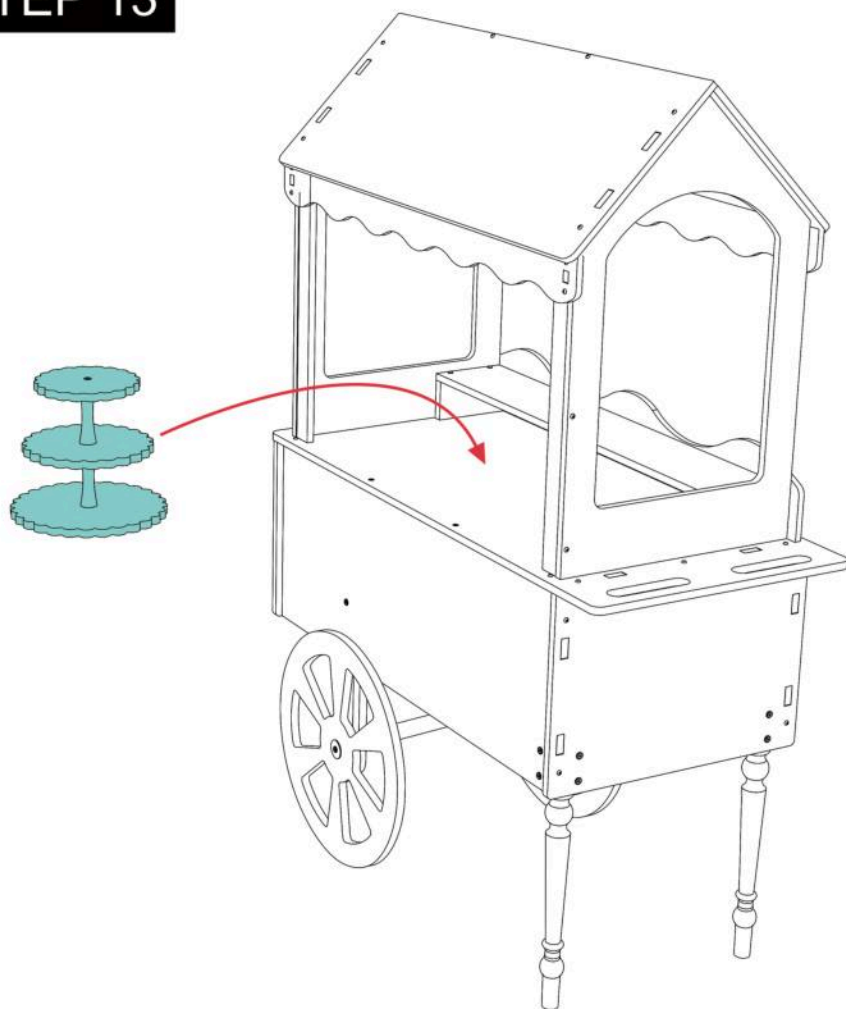

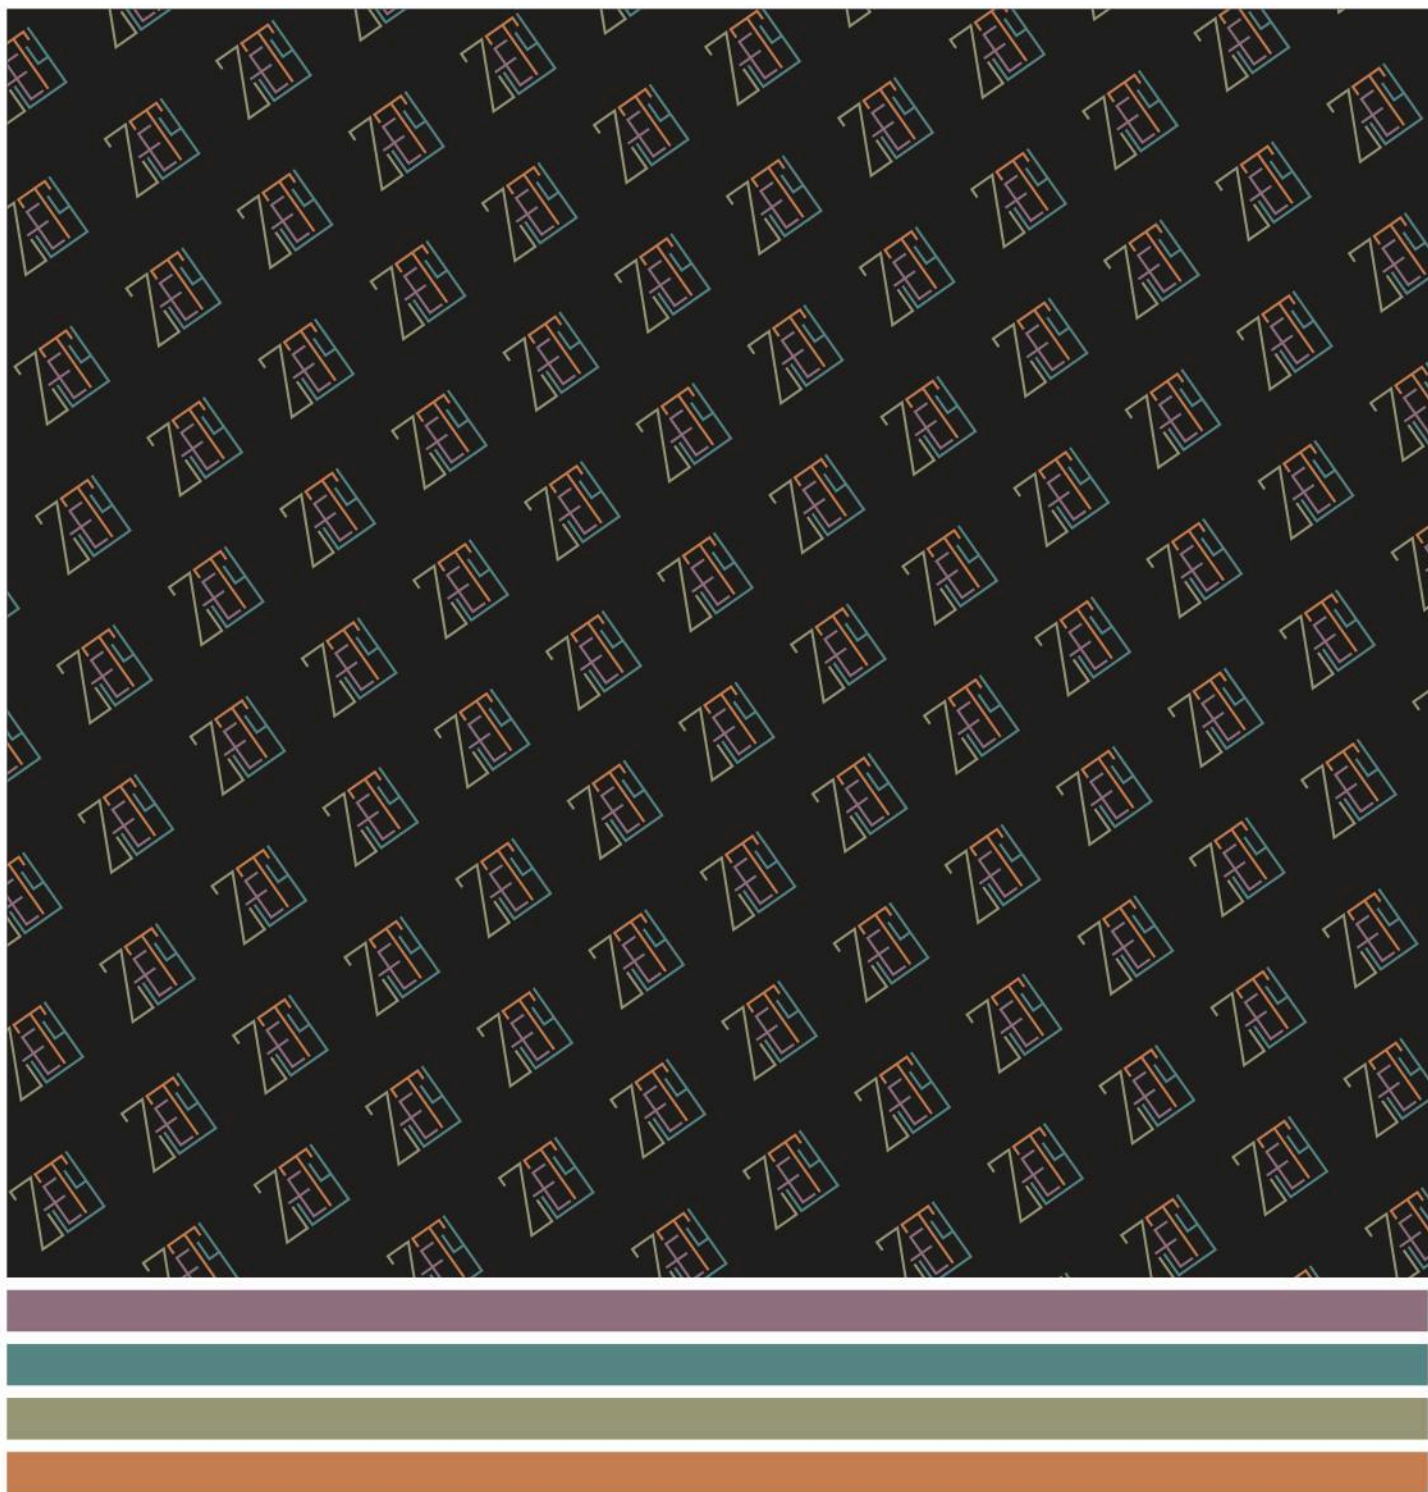

# STEP 12

|   |                                                                                           |   |
|---|-------------------------------------------------------------------------------------------|---|
| A |  M6x30 | 2 |
| E |  4mm   | 1 |

# STEP 13

Retain these instructions for future reference.
